MAI XUAN Y

11/29A, Dinh Phong Phu, Tang Nhon Phu B, Thu Duc, HCMC · +84328512380

maixuanytp3@gmail.com

With knowledge of what was learned in school, I always wanted to become a Back-end developer. I would like to be able to do an internship at your company to improve my personal knowledge. From there, develop myself in the future

EDUCATION

08/2018 – CURRENT
